1. On 6 July 1955, the evacuation of the Soviet hospital in Amstetten, 25X1 Brandstroemgasse, took place. Fences were dismantled and no more sentries were posted. Three trucks were loaded with laundry on the yard of the installation. Sedan [redacted] was also observed. [redacted] the hospital was [redacted] being transferred to St. Poelten.<sup>1</sup> 25X1
2. A total of 42 motor vehicles was parked at the former Landesheilanstalt in Mauer Oehling. No weapons were observed. The barracks were visited 25X1 by three majors wearing red-bordered black epaulets and two majors wearing black-bordered red epaulets. The following motor-vehicles were observed: truck [redacted] with driver wearing black-bordered red epaulets, truck [redacted] and van-like truck [redacted] and [redacted] Jeep [redacted] drivers wearing red-bordered black epaulets, and truck [redacted] with driver wearing black-bordered red epaulets. 25X1

A column of 40 soldiers wearing black-bordered red epaulets, with three light machine guns and model SKS carbines, practiced emplacing and aiming on targets. 2

3. On 5 July 1955, three telephone two-wire circuits were observed 25X1 between the Birago barracks in Melk and the engineers' training area on the southern bank of the Danube. About 30 tents were put up on the training ground one km. North-East of the Melk railway station. A column of 28 trucks with small pontoons, pontoon carriers, motor boats, and trucks with hoisting gears was observed. A column of 26 trucks with heavy pontoons was seen on another engineers' training ground, two km. Northeast of the Melk railway station. A wooden abutment beam was built near this training ground on the Danube bank. Four pontoons loaded with bridge building material were anchored in the Danube. The Danube bank in the area of the two training grounds was levelled and cleared of briefs. 3 25X1

1. [redacted] Comment. The transfer is presumably taking place in connection with the forthcoming evacuation of the Austrian Soviet Zone. It is not probable that the hospital will be transferred to St. Poelten.

25X1

2. [redacted] Comment. The 290th Gds Mtz Rifle Regt of the 95th Gds Mtz Rifle Div is stationed in Mauer-Ohhling, which is assumed to be its military post.
